

BAE Systems Regional Aircraft Donate 4.5K to Local Charity

BAE Systems Regional Aircraft Prestwick celebrated their 80 year anniversary last year and achieved their fantastic charity target of £4,500 by organising a range of challenges in 2015 for everyone at Regional Aircraft. Some of the challenges were a 100ft Assault Course, 5km Road Race, Summer BBQ, Baking competition, Football, Coffee Morning, Brave the Shave, Monthly quiz, Raffles, a climb up Goat Fell in Arran...and much more....

“[Macmillan Cancer Support](#) is extremely grateful for the support from BAE Systems, raising such a fantastic amount to support people affected by cancer. Sadly the number of people being diagnosed with cancer is increasing every year and that means Macmillan’s support for people living with cancer is in more demand than ever. Without companies like BAE Systems fundraising for us we would not be able to be there to support people with cancer and their families when they need us most.”

[Alzheimer Scotland](#) were delighted to receive a generous donation of £2,250 from BAE Systems in Prestwick, half of their fundraised £4,500 that was shared between Scotland’s leading dementia charity and Macmillan Cancer Support.

BAE Systems in Prestwick have supported Alzheimer Scotland’s work in the area for many years. The charity provides a variety of support and services in South Ayrshire, including a Football Reminiscence Group, Melody Memories Singing Group and a Carers Support Group.

Gerry McCoy, Alzheimer Scotland’s Policy & Engagement Manager in Ayrshire, Inverclyde, Dumfries & Galloway said *“I would like to thank all the staff at BAE Systems for such a terrific donation from their fundraising. Donations such as this are vital in enabling us to continue our services and activities across Ayrshire”*.
